Making time for older people

Life at the house

Our idyllic cottages situated in Oakworth with excellent transport links to Keighley and Howarth, are nestled in to the hillside with stunning landscaped gardens, and command breath taking views of the Worth Valley.

The cottages are Almshouse properties, set up to provide affordable accommodation for people in the local area targeting the over 60's, and we aim to support the continued independence of our residents.

Our peaceful and homely apartments combine the freedom of living in your own self-contained, spacious home whilst remaining involved with life in the local community. Our 1-bed cottages include separate living space, kitchen, bathroom and bedroom.

Making time for older people underpins everything we do at Abbeyfield The Dales Ltd.

Time to enjoy older age

With a 24-hour response service provided by Careline you have peace of mind that there is always somebody at hand to help you in an emergency.

You are also part of the wider Abbeyfield family, along with the companionship and friendship of your neighbours, we encourage you to come and visit us at other sites where you can enjoy the facilities we have to offer. Some of our larger site sites have spa facilities and hairdressers, or maybe join us for one of our coffee mornings. There are plenty of activities and events for you to enjoy, all you have to do is show up and join in the fun, but it's always your choice to get involved, with your independence and choice always being respected. Check your notice boards for forthcoming events.
