Time to enjoy older age

We have many large communal areas include a coffee bar, conservatory and courtyard with seating areas giving our residents the opportunity to socialise with each other.

Our Activities Co-ordinator, in conjunction with our volunteers, organises a large range of activities on a regular basis including singing groups, exercise classes, baking, craft making, wheelchair dancing, social evenings and movie afternoons in our own cinema room, and much much more. We also host fundraising events such as the summer, Easter and Christmas fayres where we invite the local community to come and join in with the fun.

Meal times at Abbeyfield are also important as it's when the whole house gets together - a time to have a chat enjoying great food and great company. Our qualified chefs pride themselves on providing excellent freshly prepared food. We provide two healthy and delicious meals a day cooked and prepared at the house with plenty of choice, vegetarian options, and great portion sizes!. Meals can be tailored to dietary needs, and where possible, use locally sourced produce.

Once you see for yourself what living with Abbeyfield can bring to your life, you may well wish you had made the move years ago.
