Time to enjoy older age

We have a large communal lounge and dining area and with plenty of seating giving our residents the opportunity to socialise with each other, or just watch a bit of TV. We also have an assisted bathing and spa room.

We offer a range of activities organised in conjunction with our volunteers such as coffee mornings, singing groups, exercise classes, crafts and bingo evenings. We have visitors from local animal charities and playgroups to entertain our residents. We encourage all our resident, their family and friends, and the wider community to come along and join in with the fun at our fundraising events such as the summer, Easter and Christmas fayres.

Meal times at Abbeyfield are also important as it's when the whole house gets together - a time to have a chat enjoying great food and great company. Our qualified chefs pride themselves on providing delicious freshly prepared food. We provide two meals a day cooked and prepared at the house with plenty of choice, vegetarian options, and great portion sizes!, meals can also be tailored to dietary needs. We also serve hot and cold breakfast each day for an additional cost.

Once you see for yourself what living with Abbeyfield can bring to your life, you may well wish you had made the move years ago.
