Open Questions

Here are some wonderful things you had to say about living with Abbeyfield the Dales.

Keep as is and that the food is outstanding thank you to the kitchen staff.

More live entertainment, better for someone living with Dementia.

I find the service at the Community Hub excellent. Sarah, Meena, Andrew and Volunteers are of a very caring nature. Always a good welcome and a smile makes it easy for me to leave my wife Jackie in their hands for a few hours each Monday, Tuesday and Thursday, knowing she will be looked after by very caring staff.

As John is still relatively active, it would be a real bonus to have the opportunity to access simple outdoor activities (Walks, access to outside & fresh air) especially during the summer months.

Fern House Day Care is a lovely, bright and welcoming place offering a good balance of activities and support for everyone. The seated exercises and music activities are of particular enjoyment for John.

Complaints

We are committed to providing the highest possible quality of service. However, we understand that sometimes things go wrong and you may wish to make a complaint.

If something goes wrong, your first course of action should be to raise the issue directly with the relevant manager or staff member concerned. In many cases, they will often be able to put things right very quickly and simply and no further action will be required. However, if you do not feel comfortable doing this, or you are dissatisfied with the initial response, you can make a complaint in many ways – and you don't have to put it in writing if you don't want to.
